

## SECTION 22

## FINISHING ROADWAY

Finishing roadway shall conform to Section 22 of the Caltrans Standard Specifications and these City Standard Specifications.

**22-1.01 Description.** - References to "highway" or "right-of-way" shall be construed as references to any project facilities for which grading operations have been performed.

This work shall also include removal and disposal of all weeds and other objectionable growths from areas which were previously cleared and grubbed by the Contractor.

All sewers, drains, culverts, and their appurtenant structures constructed under the contract, as well as existing drainage facilities within the project shall be cleaned out.

Earth conforms for back of sidewalks shall be formed to produce a smooth and uniform slope.

All storage facilities, sheds, yards, equipment, tools, and devices used as temporary installations during construction (e.g., fences, barricades, signs, guard rails, and A. C. berms) shall be removed from the project area and disposed of.
